

Foundations of Christian Belief & Behavior - 1

What is your Worldview?

This series is designed for Christian laypersons, covering some of the most vital areas of Christian belief and behavior. Leaders have been selected whose teaching will combine competence with spirituality. No Christian should ever be turned off by the study of biblical truth. Sadly, this can occur when too much focus is placed on minute details and little focus paid to practical application. Our teachers will clearly summarize biblical truth and persuasively demonstrate why truth matters TODAY, twenty centuries after New Testament times and in a very different cultural context. Each evening will be fast paced with lively discussion, ensuring that the listener is not put to sleep after a hard day's work but rather stimulated, refreshed & encouraged!

See page 2 for topics.
